WORK EXPERIENCE

Frontend Developer | *Intern at CapriTech Global Services Pvt. Ltd.*   October. 2023 - March 2024
- Utilized modern frontend frameworks such as React ,Next.js,Tailwind CSS and Bootstrap to create dynamic and interactive user interfaces.
- Engaged in version control and collaborative development processes using Git and GitHub, facilitating seamless teamwork and code management.
- Collaborated with backend developers to integrate frontend and backend components, ensuring seamless functionality and data flow across the application stack.

- Expanded knowledge and skills to include backend development using Node.js and Express framework, building RESTful APIs to support frontend functionalities.
- I have gained valuable hands-on experience in frontend development technologies and methodologies. This opportunity has not only strengthened my technical skills but also honed my ability to work effectively in a collaborative team environment.

CERTIFICATE/TRAINING

Frontend Development from —— Simplilearn

Web Development from —— Internshala

SQL —— Spoken Tutorial (IIT BOMBAY)

VOLUNTEERING

NSS Volunteer —— Thakur College of Science and Commerce

Year- 2021-2022
